Welcome to Franklin Athletic Club!

My name is Lisa Soverinsky and I am the Fitness Coordinator at Franklin Athletic Club, overseeing the Fitness Department. We want our members to feel safe, comfortable and included in our Franklin Fitness Community. Fitness is not just the external body, but the combination of mind, body and spirit.

The past several years have really taken a toll on us physically and mentally which affects our overall health and our body's response to infections. Now, more than ever we see the importance of physical fitness and overall wellness to combat the challenges we face in our lives.

Franklin is currently offering the Ultimate 8-week Member Experience which includes a complete fitness assessment, health evaluation, functional movement screening and body composition analysis.

Not interested in the full 8-week commitment? Why not schedule a complimentary fitness assessment to see where you are in your fitness journey. We can set up a plan of action that will help you progress safely and efficiently in order to achieve your goals.
