CAMP DAY

Information

Swim

Campers (excluding Tiny Tot) will swim in our outdoor pools every day, weather permitting. If your child needs a life vest or floatation device, please label them and send it with the camper every day. We have lifeguards and staff on duty at all times. In the event of poor weather, all campers aged 7 years and older will swim indoors. Camper's ages 2-6 years old will not swim, as we do not have an indoor kiddie pool. Please note that not all camps have designated swim time. We will only swim outdoors if the weather is 70 degrees or higher.

Lunch Option:

Cheese pizza is available each day. Please indicate if your child would like pizza lunch at morning drop-off. You will be invoiced the following week. If you arrive after 9:45, your child will NOT be able to order lunch. Lunch is for full-day campers only

Please send your child with the following items each day:

- Water bottle and sunscreen
- Two nut-free snacks and a lunch
- Bathing suit, towel, floatation device if needed
- Change of clothes and tennis shoes
- Diapers and wipes for Tiny Tots

Late Arrivals:

Please try to avoid being later than 9:15am. Our campers will be with their counselors participating in activities all around our facility and late arrivals impact our staff and the flow of our day.

If your child needs to be picked up early or dropped off late, the designated late or early pickup time is 12:30pm at door 1 for Fun & Games. Sports & Games will use the outdoor playground gate. Tiny Tot, Pee Wee, and Little League can be dropped off at the Academy entrance, 29633 Franklin Road, between the hours of 8:45am and 9:15am.

Junior Varsity and Varsity camps can be dropped off at The Franklin Athletic Club Playground area. Follow the signs from the front of the club. The camp doors close at 4:15pm. If you have not picked up your camper by 4:15pm, your child will be taken to aftercare and charged for aftercare.

Lost and Found:

Our staff will do the best possible to assist the children in keeping all of their items in order, but due to the large number of children, it is possible that items will get misplaced. **Please clearly label all personal belongings.** Their backpack or bags carrying their belongings should also be clearly labeled. We ask that anything of major value does not accompany the camper. Franklin is not responsible for any lost or damaged items.

There will be a lost and found area for parents and children to look through and attempt to find the items. Please understand that lost or misplaced items are common when working groups of active children. We will look for the missing items and help the best we can. Items that are reported lost may not be searched for until later that day or until the following day, due to the busy nature of pick-up.

Items from Home:

Any camper who brings items that seem harmful or inappropriate for the camp setting will have the item confiscated and the child will be immediately expelled from camp. Safety is Franklin Athletic Club's priority. The items include any weapons such as pocket knives, knives, guns, etc.

Lost or stolen items are not the responsibility of Franklin Athletic Club. If any items are brought from home and deemed a distraction to the camper or others, they will be taken and returned to parents upon pick up that day.

Distribution of Medication:

If your child must receive medication during summer camp hours, you must provide written authorization. A form will be available upon request. The authorization must include: date, child's name, name of medication, prescription number if any, dosage, date/time to be dispensed, and parents/guardian signature. All medication must be in its original container as well. Franklin Athletic Club staff will keep written verification log of date, time, dosage, and name of staff who administered medication. Children will not be permitted to carry their own medication or self-medicate; this action could result in expulsion. All medication is to be kept at the camp desk with the camp manager for the duration of the camp day.

Sick Children:

Children with communicable diseases or with a fever of 100 degrees or higher and/or contagious symptoms which include but are not limited to rash, vomiting, diarrhea, sore throat, or discolored mucus will not be allowed to attend or remain at camp. Please refrain from sending your child camp or returning until they have been without a fever for 24 hours. If a child becomes ill during the camp day, we will contact parents/guardians to pick up the child within one hour.

Extended Care:

All children must be picked up from aftercare by 6:00pm. Late pick up is \$1.00 for every minute after 6:00pm and will automatically be charged to the card provided or on file regardless of membership status. Parents/guardians or those authorized should be prepared to show your ID at sign out each day. You will have to list who is authorized to pick up in your League Apps account. For last minutes changes, please submit additional names in advance or email the Camp Directors at franklincamp@ffrc.net.

Now, more than ever, it is imperative that all children and parents fully understand FAC's behavioral policies. We will have a ZERO TOLERANCE policy for any behavior that contradicts our efforts to protect the health and well-being of any child or staff member during camp. Any child that displays this kind of behavior will be sent home and will not be allowed to return to camp for the remainder of the summer camp season. If you believe your child may have difficulty abiding by these policies, this year may not be the best time to send your child to camp. This policy is for the safety of all parties involved and will be taken very seriously.

We do believe that every camper deserves the right to experience our camps and all that they have to offer. We also believe in setting limits and holding our campers to certain expectations in order to create the best possible camp environment. The following policies and procedures are in place to handle any behavior or incidents that could interfere with the overall camp experience.

Franklin Athletic Club reserves the right to dismiss any camper without refund for any behavior that 1) threatens or endangers the safety of any camper or staff member, 2) is disruptive to the overall camp environment, ultimately interfering with the enjoyment and positivity of camp for the kids or staff, 3) acts in a way that resembles any form of bullying of other campers or disrespect towards the counselors, or 4) is deemed unacceptable overall.

Behavioral Policy:

Any actions that do interfere with the camp can result in one or more of the following:

- The child may be excused from an activity** - The particular camper or campers that are causing issues will be directed to sit out and may not be allowed to participate in certain planned activities.
- The camp manager or assistant manager may be called** - This action will be taken by the group counselor when they feel that the child will no longer cooperate, follow instructions, or that their behavior has exceeded the first consequence/warning.
- The parent/guardian may be called** and informed of issues, along with potentially having to pick up their child early - If the behavior is deemed excessive, continuous, or unacceptable the camp manager reserves the right to take this action as he/she deems fit.
- The child may be dismissed from camp on a permanent basis** - This action will be taken by the camp manager if the behavior has reached a particular level and the staff no longer feels that our camp is a good fit for the child.

Parent Communication with Behavior:

Open communication with parents is critical in addressing behavior concerns to make the camp experience the best it can be for both their child and the other campers. Notes home to discuss the situation and solutions to avoid further behavior will take place as issues arise. If the behavior becomes continuous and is not corrected we have the right to create a behavior plan for the individual camper. This will be discussed with the parent and will be a means to keep communication open and encourage positive behavior from the camper.
